

TRINITY COLLEGE

Dear International Student:

Thank you for your interest in Trinity College of Florida! The mission of Trinity College of Florida is to equip men and women for transformational vocations for the church and all humanity through effective programs of Biblical, Professional, and General Education leading to skill development and a lifelong passion for Christian discipleship. The following information will help you learn about the admissions process.

ENROLLMENT INFORMATION

All international students at Trinity College must enroll full-time; that is, students must enroll for at least 12 credit hours each semester and pursue a “full course of study” towards a specific educational or professional objective. The following information describes the type of student qualified to submit application to Trinity College.

Freshman: You have not attended college or university or have not graduated from a secondary (high) school.

Transfer: You have attended post-secondary academic institution(s) after high school.

Second Degree Seeking: You hold a bachelor’s degree and will enroll in undergraduate courses to earn another undergraduate degree. Applicants must submit the same documentation and meet the same requirements as an international transfer student.

APPLICATION DEADLINES

Applicants may enter Trinity College at any semester. Trinity College admits qualified international students who have submitted all application materials by **June 1 for the fall semester** and **November 1 for the spring semester**. These deadlines allow time for overseas mailing, immigration issues, and evaluating credits.

APPLICATION PROCEDURES

An application for admission to Trinity College must include educational credentials, standardized test scores, and financial documentation. Specific requirements are listed below.

- 1. Application:** Students may complete the application for admission online at trinitycollege.edu.
 - 2. Essay:** Students must submit an essay with the application.
 - 3. References:** The college requires a personal and a church reference. The church reference must be completed by a pastor or leader at your church (non-relative). The personal reference should be completed by a non-relative
 - 4. Transcripts:** All transcripts (secondary and post-secondary) must be submitted directly to the Admissions Office. Transcripts must be official and sent through *Foreign Credentials* foreigncredentials.org.
- Proof of English Proficiency:** Trinity College does not offer English as a Second Language (ESL) courses. Therefore, since all instruction, reading, and research is in English, it is essential that all international students be able to understand and speak English fluently immediately upon arrival to campus. International students whose primary language of instruction was not English must take the Test of English as a Foreign Language (TOEFL). The Trinity College school code is 1979. Official scores must be sent directly to the Office of Admissions. A minimum score of 500 on the paper-based or a 61 on the Internet-based test is required for admission. Students can obtain information regarding the TOEFL exam by contacting:

TOEFL Services
Educational Testing Services Box 6151
Princeton, New Jersey, 08541-6151
United States of America
<http://www.ets.org/toefl>

English Translations: Records not in English must be accompanied by a literal English translation. If you cannot provide a literal English translation, you may obtain translation services through:

Josef Silney & Associates, Inc.
International Education Consultants
7101 SW 102 Avenue
Miami, FL 33173
United States of America

Phone 305-273-1616 | Fax 304-273-1338 | Email: info@jsilny.com | <http://www.jsilny.com/>

5. ACT/SAT Scores: Applicants must submit official ACT or SAT scores.

6. Application Fee: Applicants must pay an application fee of \$35

7. Financial Documentation: Applicants must demonstrate the ability to finance their education at Trinity College. The United States Department of Homeland Security requires Trinity College to have documents certified by a bank official confirming financial resources in the amount of **\$27,750 (US)** to cover the first year's expenses for each admitted international student before issuing the Form I-20, which permits the student to apply for the F-1 Student Visa. The applicant should use the *Confirmation of Financial Resources* forms to provide such evidence. Please note the following requirement concerning financial documentation:

A bank official must verify all financial support. This can be verified in **two** of three ways:

1. An official bank signature & seal on the "Confirmation of Financial Resources" forms
2. An original signed letter from a bank official on bank stationery
3. An original or certified copy of a bank statement

The financial verification must specify a dollar amount and must indicate that the amount available is at least the cost of attendance for the specific academic school year. Please note that the cost of attendance is subject to change. **A letter of support from your sponsor must also be included if the bank account is not in your name.** Your sponsor may sign the appropriate space on the *Confirmation of Financial Resources* form, or may write a separate letter. This letter must have an original signature or must be a certified copy of the letter. The bank verification and the letter of support from your sponsor must be dated within a year of your intended date of enrollment.

ADMISSIONS DECISIONS

Trinity College admits qualified students who are personally committed to Jesus Christ. Students are admitted without regard to race, color, handicap, sex, age, national or ethnic origin, to all rights, privileges, programs, and activities generally accorded or made available to students at the college.

Trinity College does not discriminate in administration of its educational policies, admissions policies, scholarship program, athletic, and other school-administered programs.

In selecting students for admission, Trinity College seeks evidence of Christian commitment and character and the capacity and desire to learn. Students interested in the evangelical Christian perspective and curriculum at Trinity College and who demonstrate a commitment to the philosophy of education are eligible for consideration for admission. Although the promise of academic success and personal Christian testimony of the applicant are of primary consideration, the aspirations of the applicant and the personal recommendations are also considered in the admission decision. Admissions decisions are made at the time of file completion on a rolling basis.

FINANCIAL AID

Limited financial aid is available for international students who qualify. All international student applicants should be aware of their responsibility to confirm financial resources. Please note that the cost of attendance is subject to change. For more information about international student scholarships and grants offered by Trinity College, please visit our website at trinitycollege.edu. Contact the Financial Aid department with any questions.

HEALTH INSURANCE

All international students must have adequate health insurance coverage before enrolling. Students are required to verify, in English, that they have sufficient insurance coverage from an insurance provider.

Students may also purchase the **International Student Injury and Sickness Insurance Plan** offered by the American College Student Association found at the website www.acsa.com. Students must submit the *International Student Insurance Approval Form* to the Office of Admissions once they have purchased an annual plan.

IMMIGRATION ISSUES

Almost all international students at Trinity College enter the country with F-1 Student Visas. For all students not entering the country with a F-1 Student Visa, documentation of current immigration status must be provided. Once a student has demonstrated adequate financial resources, been admitted to the college and submitted the required deposit, the I-20 form will be issued, which will enable the student to then apply for the F-1 Student Visa.

If a student enters the United States on an I-20 form issued by Trinity College but fails to enroll, the college will report that student's name to the US Department of Homeland Security.

CONTACT INFORMATION

International students may email any question to admissions@trinitycollege.edu. All application materials must be completed and mailed to:

Trinity College of Florida
Office of Admissions
2430 Welbilt Blvd
Trinity, Florida 34655
United States of America

Obtaining a U.S. Student Visa

Information on U.S. consulate policies, procedures, and requirements can be obtained through the U.S. State Department web site (<http://travel.state.gov>). Applicants for student visas should normally apply at the U.S. Embassy or Consulate with jurisdiction over their place of permanent residence. Although visa applicants may apply at any U.S. consular office abroad, it may be more difficult or time consuming to qualify for the visa outside the country of permanent residence. This is because a consular officer must evaluate the applicant's ties to a resident abroad.

An application for an F-1 Visa must include the following items:

- 1) Form I-901 with \$200 fee. The form and fee can be submitted online at www.fmjfee.com or the paper form can be printed out at <http://www.ice.gov/doclib/sevis/pdf/I-901.pdf> and mailed, along with the fee, to the following address:
I-901 Student/Exchange Visitor Processing Fee
P.O. Box 970020
St. Louis, MO 63197-0020
United States
- 2) Form OF-156, "Nonimmigrant Visa Application". Blank forms are available without charge at all U.S. consular offices or the form can be completed online at <https://evisaforms.state.gov/ds156.asp>
- 3) A passport valid for travel to the United States and with a validity date at least six months beyond the applicant's intended period of stay in the United States. If more than one person is included in the passport, each person desiring a visa must make an application.
- 4) One photograph 1 and 1/2 inches square (37x37mm) for each applicant, showing full face, without head covering, against a light background.
- 5) Form I-20A-B.
- 6) Evidence of sufficient funds (private sponsor's affidavit of support and bank statement, or letter from sponsoring agency).
- 7) Proof of additional funding for family members (\$3,000 for spouse and \$2,000 for each dependent child) who will enter the U.S. on the F-2 visa.
- 8) Evidence of English ability sufficient for course of study (the TOEFL).
- 9) Marriage or birth certificates of family members applying for the F-2 visa.

Other Documentation

Student visa applicants must establish to the satisfaction of the consular officer that they have binding ties to a residence in a foreign country, which they have no intention of abandoning, and that they will depart the United States when they have completed their studies. It is impossible to specify the exact form the evidence should take since applicants' circumstances vary greatly.

Canadian citizens can view information on entering the United States of America at the following site:

<http://www.cbsa-asfc.gc.ca/whti-ivho/menu-eng.html>

Arrival Information at the U.S. Port of Entry

Upon arrival at the U.S. port of entry, the student must present to the immigration official:

- 1) Passport with a validity date at least 6 months beyond the applicant's intended period of stay in the United States
- 2) Currently valid F-1 Visa Stamp
- 3) Evidence of financial support - bring the same financial support information used to obtain the F-1 Visa
- 4) I-20 A-B that has been signed by the Designated School Official (DSO) at item 10, and by the student at item 11

Issuance of Form I-94

Upon admitting the student to the United States, the immigration office issues the student the departure portion of Form I-94 (Arrival/Departure Record), marked with the date and place of entry, the alien's status as an F-1 student, a unique 11-digit admissions number. The initial admissions number is intended to be an individual alien's identifying number while studying in F-1 status. ***An F-1 Student keeps Form I-20 ID in his or her possession at all times and does not surrender it upon leaving the United States.***

Travel Arrangements

Students should plan to arrive on the campus of Trinity College the day prior to New Student Orientation. Flight arrangements should be made to arrive at Tampa International Airport or St. Petersburg/Clearwater International Airport. Transportation arrangements from the airport to the college need to be made by each individual student. Please communicate your travel itinerary to the Director of Admissions (admissions@trinitycollege.edu) at least two weeks prior to your anticipated arrival.

Trinity College Arrival Information

Upon arrival to campus, students should check in at the Office of Admissions, located on the first floor of the W.T. Watson Administration Building. At this time, the following will occur:

1. The Director of Admissions will review your passport and I-20. Please make sure these items are in your possession.
2. If you are an international student who has transferred to Trinity College from another U.S. college or university, the advisor will certify your transfer and notify the US Department of Homeland Security of the transfer.
3. If needed, you can receive information about housing.
4. You will review the Orientation Schedule and will receive information about the mandatory orientation sessions of New Student Orientation.
