Bachelor of Science Business Organizational Leadership Major

The successful completion of the Business Organizational Leadership Major will provide the student with:

- 1. A solid foundation in the skills and knowledge required to perform as an effective leader within any for-profit or non-profit organization and society.
- 2. An application of the skills obtained and sought after by current employers within today's market such as: complex problem solving, critical thinking, teamwork, sound judgment and decision making, communication, conflict management and negotiation, and exercising influence.
- 3. The formulation of right thinking to assist the student in making ethical decision founded upon biblical principles and characteristics of Jesus Christ.
